

January, 2022

To our Valued and Appreciated Clients,

We made it to a new year! We hope this finds you healthy and happy. We know the last couple of years have been full of challenges. Our tax world has been full of constant changes to the tax code. Relief acts, new credits, and under staffed government agencies.... the list goes on. Many small businesses have been forced to make drastic changes and we are no different. Faced with continuing uncertainty with regards to government mandates, we will continue our move forward into the virtual world. The safety and well-being of both our clients and staff is our **highest priority**. Appointments will continue for dropping off information as well as picking up completed returns. We encourage the use of our secure portal to ensure your safety against identity theft.

Tucker's Tax Service has been in Moreno Valley for 55 Years helping generations of families in nearly 20 states. That list continues to grow! Your referrals are our biggest compliment and please know that we are here to help you.

We encourage you to schedule your appointment as soon as possible. Due to the many tax code changes, tax returns received after March 15, 2022 will be placed on extension at our discretion.

To schedule your appointment please call: **(951) 924-5421**

Stay safe and healthy,
