

January, 2023

To our Valued and Appreciated Clients,

Welcome to 2023! We hope you had a happy and healthy holiday season but it is time to prepare for taxes. Appointments will continue for dropping off information as well as picking up completed returns. Our mail in program will continue and virtual appointments are available. When submitting documents electronically, we require the use of our secure portal to ensure your safety against identity theft.

Tucker's Tax Service has been in Moreno Valley for more than 55 Years helping generations of families in over 20 states. That list continues to grow! Your referrals are our biggest compliment and please know that we are here to help you. That said, because of our reduced resources and our continued efforts to provide the best service possible we are limiting the number of new clients we are able to bring in.

We encourage you to schedule your appointment as soon as possible. Due to the many tax code changes, tax returns received after March 15, 2023 will be placed on extension at our discretion.

To schedule your appointment please call: **(951) 924-5421**

Stay safe and healthy,
