January, 2025

2025 has dawned with devastation in our local areas. Our thoughts go out to everyone affected and we hope you are all staying safe.

We will be continuing appointments for dropping off information as well as picking up completed returns. Our mail in program will continue and virtual appointments are available. When submitting documents electronically, we require the use of our secure portal to ensure your safety against identity theft and the ability to have all of the information in one place. Please note that the more complete your submission is, the quicker we can get back to you with completed returns.

Tucker's Tax Service has been in Moreno Valley for more than 55 Years helping generations of families in over 20 states. That list continues to grow! Your referrals are our biggest compliment and please know that we are here to help you.

We encourage you to schedule your appointment as soon as possible. Due to the many tax code changes, tax returns received after March 17, 2025 will be placed on extension at our discretion.

To schedule your appointment please call: **(951) 924-5421**

Stay safe and healthy,
